

# Pea Salad

## Ingredients:

2 cups of thawed frozen peas

3 to 4 tablespoons finely minced onion (Walla Walla's)

3 to 4 tablespoons mayonnaise

1 to 2 tablespoons milk

¼ to ½ cup grated or tiny cubes of Cheddar (Tillamook Sharp Cheddar)

## Directions:

Thawed frozen peas will taste better than canned peas, but then almost anything tastes better than canned peas. Mix sugar and milk into mayonnaise. Stir in the minced onion. Mix the mayonnaise mixture with the peas, stir in cheese and serve. Serves 3 or 4.
